SEUN IMAM-LAWAL, CPA

Associate

Seun is an experienced corporate finance professional with over nine years relevant experience leading multi-million-dollar investment projects. She is recognized for her excellent financial analytical skills and her ability to provide strategic insights to clients pursuant to investment decisions.

She began her career as a tax advisory consultant with KPMG Nigeria and transferred to the Deal Advisory Division as an Associate. Rising to become a Manager, Seun has supported various clients on buy and sell side transactions including financial and commercial due diligence, business planning and financial modelling, business valuations, divestiture and bid advisory, and fund raising.

She possesses a B.A. in Business Studies and is a Chartered Professional Accountant with Chartered Professional Accountant, Alberta (CPA) and Association of Chartered Certified Accountants, UK (ACCA).
