ZACHARY BOARD

Associate

Zachary's detailed methodology, pragmatic approach and superb problem-solving proficiencies combine to ensure executional excellence in Kluane Partner engagements. A highly regarded member of our team, Zachary further drives value for clients through his extensive industry knowledge, solid understanding of financials and keen insights into identifying and delivering greater efficiencies throughout the entire scope of a project. Committed to setting the highest standard for our valued clients, Zachary is responsible for forging a collaborative culture that drives efficiencies, assists internal controls and provides valuable insight into financial results.

Zachary has been with Kluane Partners since 2014 and works for both the Accounting and Debt Restructuring departments. Over the past years, he has worked alongside the Kluane team to review and repair unreliable financial statements, implement proper controls and procedures, manage and forecast cash flows, and provide financial data to assist in the decision-making process. Zach has experience working with a variety of companies in many different industries, each with varying financial situations.

Zachary holds a Bachelor of Commerce Degree from the Southern Alberta Institute of Technology. He is currently furthering his education, obtaining his CPA designation while working with Kluane Partners.
