JOE LI
Associate

With an impressive career that spans more than 10 years of global and national experience, Joe is a valued member of the Kluane Partners team. He has an extensive accounting background that provides a solid understanding of fundamental principles and thought leadership that further assist our valued clients in achieving operational excellence. Through his strategic vision, processes and pragmatic solutions, Joe has built a solid foundation of essential support that continues to position Kluane Partners as a respected leader.

After graduating in 2002, Joe held a variety of business-related roles with increased responsibilities before focussing on accounting. In 2016 Joe transitioned to Derks Fine Group of Companies as an Accountant. In this role Joe was involved with full-cycle accounting, payroll and customer service. He was responsible for importing and reviewing invoices, posting transactions, improving and streamlining AR tracking and reporting systems as well as monthly bank reconciliations. In 2017 Joe joined Boyle Street Community Services as an Accounting Assistant where he provided valuable support to the effective running of overall operations within the accounting department. Recognized for his disciplined approach and strong analytical skills, Joes was recruited by Kluane Partners in 2019 as an Associate.

In 2002 Joe received his Bachelor's Degree in Business / Commerce from Beijing Technology and Business University. He then completed his Associate's Degree at the Northern Alberta Institute of Technology. He is currently enrolled in the CPA Professional Education Program.
